

## CONVENTION SPEAKERS

*Preface from the chairman..*

“To the delegates, I welcome you to the 2021 Midyear Convention of PCOMS/SORG/Johnson&Johnson. This will be the first ever hybrid conference of the College and we have prepared topics that are essential to Dentists with Hospital practice and to those who want to specialize in Maxillofacial Trauma. Prepared is also a limited face to face hands-on workshop which is centered in the importance of proper inter-maxillary fixation and basic principles of plating. Thank you and may this be a good learning experience to all.

## “DIAGNOSIS AND MANAGEMENT OF DENTAL AND MAXILLOFACIAL TRAUMA”

## MIDYEAR CONVENTION

## PHILIPPINE COLLEGE OF ORAL AND MAXILLOFACIAL SURGEONS

**Limited attendance on face to face Practical exercises (10 participants/batch)**  
**2 day Online lecture: 500.00 php**  
**Limited hands-on practical exercises (inclusive of 2 day online lecture): 2,000 php**

**S.O.R.G.** ACADEMY

### GENERAL OBJECTIVES:

This course is designed to provide participants with the fundamental knowledge and principles for the treatment of cranio-maxillofacial fractures and their complications. Target audience are junior residents in OMS and hospital dentists.

### Learning outcome:

- Diagnose facial injury through history, physical examination, and investigations
- Formulate a treatment plan (operative and nonoperative)
- Perform the specific treatment plan for facial trauma
- Modify the treatment plan when necessary
- Manage patient follow-up and rehabilitation
- Identify and manage complications

**DR. MARIO ESQUILLO**  
COURSE DIRECTOR
